

## **Echocardiographer (Adult Transthoracic)**

**Full Time/job share, Permanent Post**  
Competitive Salary (top end of Band 7)

Express Diagnostics provides a high quality Echocardiography service for Primary Care and are currently looking to expand our echocardiography services and therefore have various opportunities to include a role for a Lead Echocardiographer

Ideally candidates will have ideally 1-2 years post BSE accreditation experience (however we will consider applicants willing to work towards accreditation) and can demonstrate their ability to perform and report on echo's to a high standard in accordance with BSE and Departmental Standards.

The post holder will join our busy team of clinical professionals working Monday – Friday 09:00 – 17:00 Monday – Friday. Company Pension scheme available with no on-call or weekend work.
